## TERMS & CONDITIONS:

The staff of Tritech Auctions has described the items in this auction to the best of their ability based on observations and information from sources deemed to be reliable, however, no guarantee is made. It is the bidder's responsibility to make inspections and confirm all descriptions prior to bidding. All items are sold on an "AS IS" and "WHERE IS" basis with absolutely no warranty of any kind, including merchantability and/or fitness for a particular purpose.

The auctioneer's acceptance of the last bid constitutes a legally binding oral contract. When an item is sold, the buyer assumes all responsibility for their purchase. **ALL SALES ARE FINAL.** The order, method, bidding increments and time elapsing between bids will be at the sole discretion of the auctioneer. There will be no tie bids. The auctioneer's decision is final.

**10% BUYER's PREMIUM will be added to the highest bid to determine the final selling price of all items. All items must be paid for on auction day**, during or immediately following the auction with cash, or a check with proper ID. The auction company reserves the right to confirm payment prior to releasing items. **We do not accept credit cards.**

**No items may be moved or removed until the entire auction is completed and payment has been made.** All items must be removed on auction day (within two hours after conclusion of the auction) or on Monday, December 21, 2009, between 9:00 A.M. – 4:00 P.M. Purchasers are responsible for moving and loading their own items or making arrangements with an appropriate third party to move or load for them. All items must be removed in a workman like manner. Purchaser is responsible for any damage to the property.

**Vehicles must be transferred into purchasers name prior to removal.**

The auction company will, by its good practices, aid in the security of items; however, the ultimate responsibility for security of all items is with the buyer at the time of sale.

Kentucky Sales Tax of 6% will be applied to all items. Resale Customers must provide a copy of their Resale Exemption Certificate along with complete and signed documentation acceptable to the auction company on auction day. If you are not regularly engaged in the business of selling the type of items that you have purchased then you must pay sales tax. If you have any question about sales tax exemption, see Jesse prior to bidding. ALL requests for sales tax exemption must be approved by Jesse in advance.

LP & Welding tanks are rented and therefore do not sell with equipment.

The auctioneers and staff of Tritech Auctions, Inc. reserve the right to make purchases for their personal accounts at this auction.

Additional terms and conditions may be announced by the auctioneer at the beginning of the auction. Announcements made by the auctioneer on auction day take precedence over advertising.
